Hireserve Apply Button

Agenda

- What is the Apply Button?
- Features and benefits
- Some examples
- Configuration / Setup
- Your questions (via webinar chat)

Hireserve Apply Button

What is the Apply Button?

- A new piece of technology which has been developed by Hireserve to provide our customers with a highly versatile and responsive way of presenting application forms to candidates
- Can be added anywhere in the job advert, and even placed in multiple locations
- It can provide multiple application options for candidates, including Apply with LinkedIn and CV Parsing.
- Can be styled to mirror the candidate portal style to provide a consistent look and feel throughout the application process.
- Presents the selected application form to candidates, effectively utilising the environment in which it is loading.

Hireserve Apply Button

Features

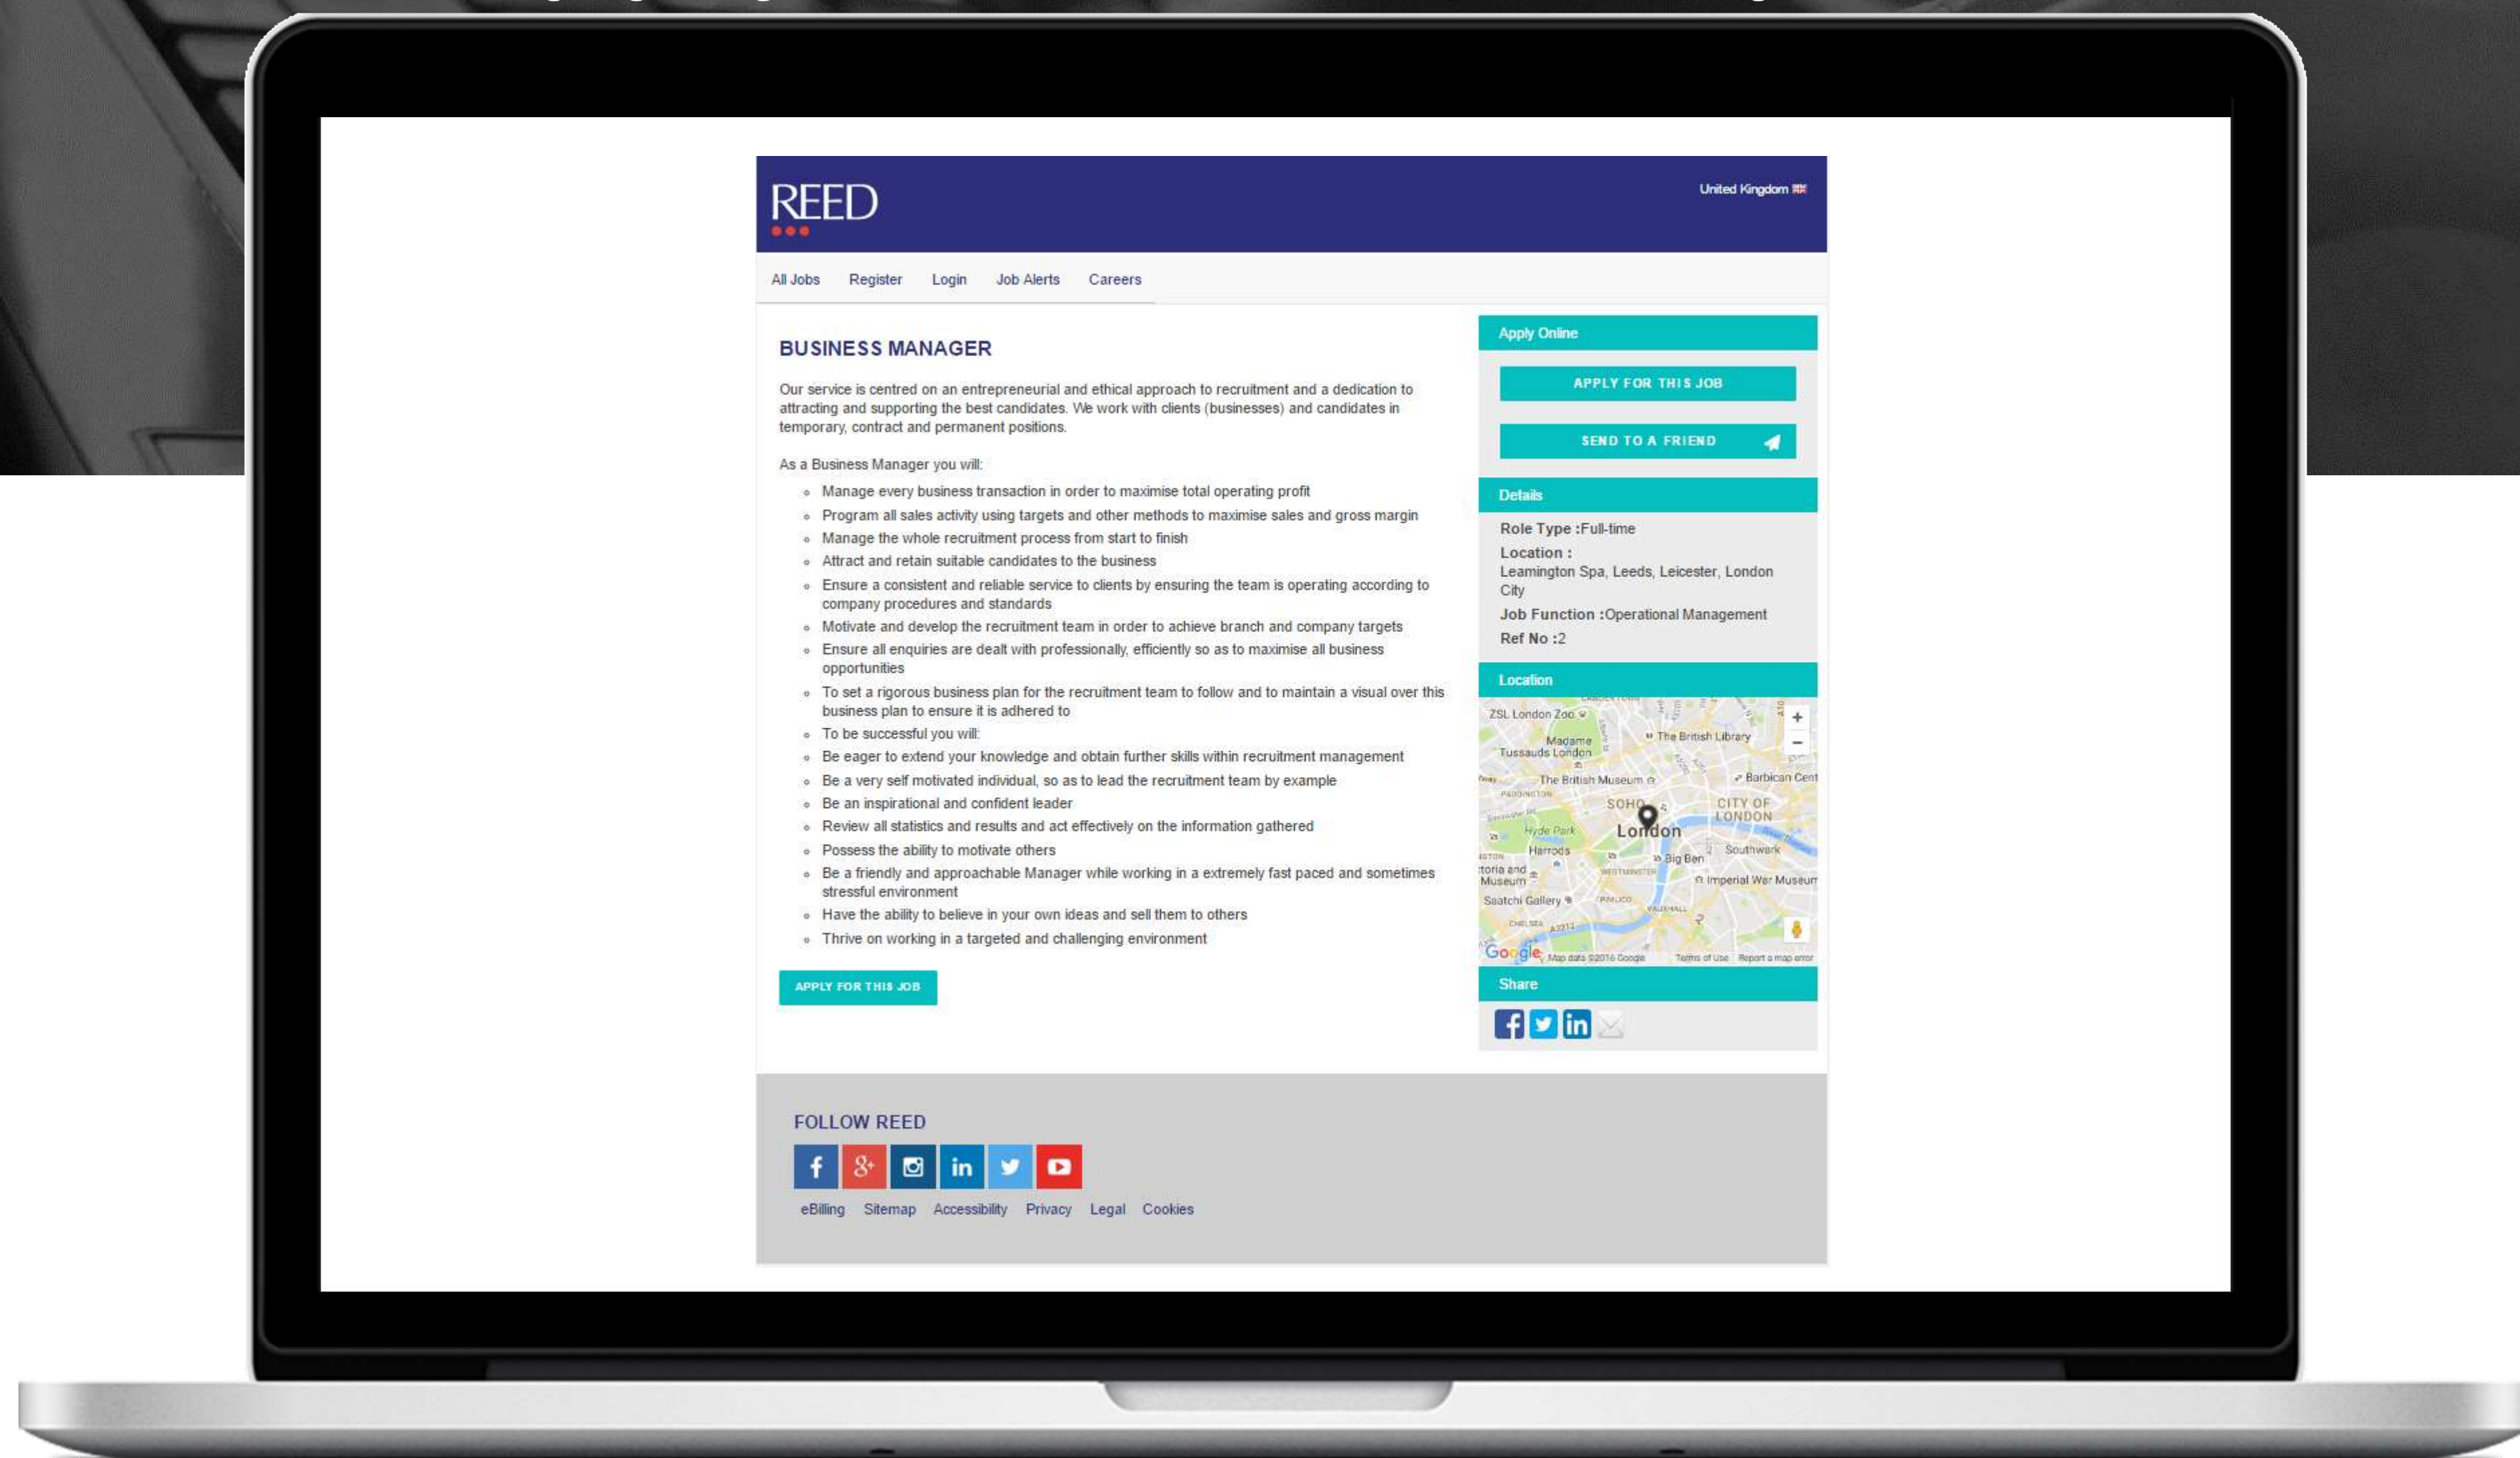

- ✓ Responsive application window
- ✓ Dynamically scales and adjusts to suit the environment in which it is loading
- ✓ Can be used to present single and multi-section forms
- ✓ Can be used to present single and multi-section records
- ✓ Supports question scoring
- ✓ Can be used to present killer questions and job specific killer questions
- ✓ Can be used with login and no login forms
- ✓ Works in all common desktop and mobile browsers

Benefits

- ✓ Provides a better candidate experience
- ✓ More application options
- ✓ Quicker and easier job applications
- ✓ Automatic CV creation when applying with LinkedIn. Handy when applying on a mobile device!
- ✓ More applications completed
 - Less incomplete application forms in the system
