Introduction to Hirechecks

Key Features

- Easy management of documents throughout onboarding.
- Capture of managers acceptance of right to work and other documents.
- Use of tablets and mobiles to capture these documents and store them against the candidate record.

Benefits

- Will greatly reduce time spent by the recruitment team scanning documents.
- Document security is much better as documents are not kept on users devices and hardcopies are not stored.
- Once on the candidate record the documents can be transferred to your HR system.
